Now that you’ve participated in a LEAP event, take your learning back into school by adding it to your Careers Action Plan.

“We know what we are, but know not what we may be” – William Shakespeare

Know myself, my abilities and what I have to learn to achieve my Career Goals.

Which personal goals have I achieved? What did I learn today about professions?

Which academic goals have I achieved? How did the things I learnt in today’s activities help me in planning my pathways?

Which personal goals do I need to work on? What do I need to do to achieve these goals?

Which academic goals do I need to work on? What skills do I need to work on to get into my dream job?
